

see us. It has been one of  
the great regrets of my life  
that my boys did not see  
our dear Dr. Gray at a time  
of life when they would re-  
member him. I do hope  
that you will gratify us  
in this respect.

Mrs. Cauby sends her

The preparations for school  
and College will keep us busy  
after that - so that I see  
no prospect of Mrs. Cauley

Will you not be coming  
this way some time soon?  
Whenever you do come, you  
could not give us a greater  
pleasure than by stopping to
